- Happy Hour (2 available) 5pm – 6pm PST: \$400 - Fun games such a trivia and giveaways are HIGHLY recommended. This is not meant to be a presentation, but more of an after party. This is a session only available for advisors, and will have a dedicated tab on their home screen. No networking slots will be available to book during this time.

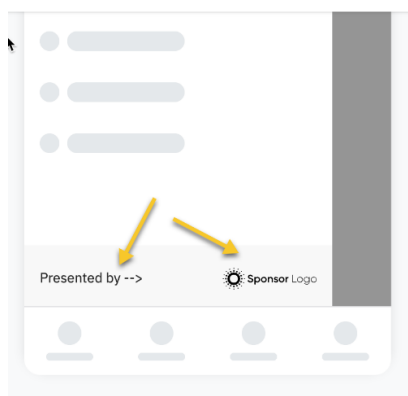

- Pop up announcements: \$50
- Sponsor ads: \$50 – can use generic template text that MVT will provide, or can provide their own. It will be shown in the hamburger menu alongside other important menu items.

- Storylines: \$50 – this is something only available on the mobile app, and is VERY similar to an Instagram story with placement on the top of the screen. VERY cool option, and we are going to be pushing the mobile app to advisors promoting these extra features.

- App sponsorship: \$150

Sponsorships are nonrefundable and must be paid prior to event start date. Placement of brand names and logos are not able to be modified, and exposure time to advisors will be based on timing of registration – all sponsorships should be purchased before advisors have access to platform.
